Sheryl Crowell & Linda Warshaw

Award-winning artist, Sheryl Crowell has been a member of the Art First Gallery for over 20 years! While many of her pieces are 2D paintings, she works in various and mixed media, including oil, watercolor and ink, collage and pencils. Her collection of work showcases a wide range of themes and motifs, evocative and sensitive, but her favorite subjects are her figural pieces, particularly those of women and children.

A founding member of the Art First Gallery and published cartoonist, Linda Warshaw's portfolio of work is diverse and full of surprises. It includes whimsical cartoons as well as beautiful representational work. She enjoys toying the line between 2D and 3D work and often finds ways to incorporate whimsical touches and humor into her pieces. The variety in her work "keeps [it] fresh and enjoyable" and she hopes you enjoy yourself as well.
